About this property

A seaside villa should exude a distinct charm, its pristine white contours mirroring its enviable coastal position. Nestled in an established villa enclave on Calle Los Angeles, Villa Los Angeles 184 offers easy access to the beach and nearby conveniences, all within strolling distance from your private haven amidst verdant foliage.

Crafted with sophistication, this architectural gem showcases exquisite interior design by Marbella's renowned talent, Pedro Peña. The elegance unfolds as you step into this meticulously crafted abode, where a generous open-plan living space seamlessly connects kitchen, lounge, terrace, and pool, creating a seamless blend of indoor and outdoor living.

The villa's commitment to quality is evident in its use of premium materials like wood, stone, and marble, complemented by bespoke furnishings. Noteworthy features include a tastefully designed custom bar, a focal point of the lower-level entertainment area, which also houses a gym, lounge, and additional leisure spaces dedicated to refined relaxation.

Setting it apart is the rooftop terrace, a true lifestyle haven where days and evenings unfold amidst the soothing embrace of a jacuzzi, lounge, and alfresco dining area complete with a bar and professional outdoor kitchen, all against the stunning backdrop of the nearby sea.
