About this property

Maison Vue is a fully renovated three-level townhouse for sale in La Quinta Hills, one of the most prestigious gated communities in Benahavís, just minutes from Marbella and Puerto Banús. Completed in 2024, this elegant property blends Scandinavian minimalism with Mediterranean serenity, creating a modern yet timeless living experience in the heart of Costa del Sol's golf valley.

With a total built area of 212 m², including 164 m² of interior living space and a 49 m² rooftop solarium, the townhouse offers 3 stylish bedrooms, 3 modern bathrooms (2 en-suite), and a guest toilet. Every detail has been carefully curated to provide high-end comfort, design, and functionality.

On the ground floor, the open-concept layout welcomes you with a bespoke Danish-designed kitchen, featuring Smeg appliances, a chic peninsula bar with wine fridge and display cabinetry. The dining and living areas flow seamlessly, anchored by a bioethanol fireplace from Pureline. Oversized sliding glass doors lead to a private garden terrace with a built-in BBQ – ideal for entertaining or relaxing outdoors.

The first floor hosts the master suite, complete with a super-king-size bed, walk-in wardrobe, and an en-suite bathroom boasting sea views. Two additional bedrooms provide flexible use as guest rooms or a home office, complemented by a guest bathroom with washer and dryer.

A highlight of the home is the panoramic rooftop solarium, offering breathtaking views of the Mediterranean Sea and La Concha mountain. Designed for year-round use, this stunning outdoor retreat includes a built-in lounge area, bioethanol fireplace, bar, outdoor shower, and sunbeds – the perfect space for sunset cocktails or private relaxation.

Located in the sought-after La Quinta Hills community, part of the La Quinta Golf & Country Club, the home enjoys a peaceful hillside setting with quick access to world-class golfing. The La Quinta Golf Course, designed by legend Manuel Piñero, features 27 holes, a luxury clubhouse, fine dining, and a golf academy.

Residents benefit from proximity to Marbella's top destinations. The golden beaches of Puerto Banús, luxury shopping at El Corte Inglés and Marina Banús, and beach clubs like Ocean Club and La Sala by the Sea are all within a 10-minute drive. Excellent dining is also nearby at Magna Café, Prado Halcones, and the Clubhouse Restaurant.

Families will appreciate the convenience of international schools such as Aloha College and Atalaya International School, both offering bilingual education and strong academic reputations.
